

11th GRADE AMERICAN HISTORY

(American History II) 2011-2012

In this course, every attempt has been made to schedule the major topics covered on the Exit Exam during the first semester. It is imperative that the AHSGE objectives be covered before the test.

The mid-term exit exam will help the teacher look at the mastery level of these objectives.

There is no second semester exam included because it is anticipated that teachers will use this term to expand the more current topics and to include projects, portfolio, and group work to enhance the excitement of this particular period of history.

Each individual teacher should make and give their own second semester exam.
