Webb Elementary School is an Alabama Reading Initiative school again for the 2011-2012 school year.

The guidelines are very specific about uninterrupted reading time.

Grades K-3 will have uninterrupted reading instruction daily from 8:30 til 11:00. Please try to schedule doctor/dental appointments at other times during the day.

**Please remember to stop by the office before going to a teacher's classroom. Teachers will not be available for conferences during class time.**

As of February 2008, Webb Elementary School met all the requirements of SACS accreditation.
